

EGYPTIAN AMERICAN ORGANIZATION

Dear Friends, Colleagues & members of the EAO,

On behalf of the elected board of the AEAS I would like to invite you to the AEAS 36th annual international conference. This year, the AEAS is holding its bi-annual conference in Redondo Beach California.

Title: "Enhancement and Modernization of the Medical, Engineering and Commerce Sectors in Egyptian Higher Education"

Date: December 4th - 6th

Place: Crowne Plaza Hotel 300 N. Harbor Dr, Redondo Beach, CA 90277 - USA

Tel: (310) 318-8888, Fax: (310) 376-1930

This meeting is a multidisciplinary conference, attended by Egyptian American Scholars, private parties, as well as Egyptian scholars from Egypt. Papers are presented in all disciplines (medicine, engineering, economy, humanitarian etc...).

The following is the confirmed Egyptian delegation and dignitaries attending the conference:

- Ambassador Dr. Hesham Elnakib, Counselor General of Egypt, San Francisco
- Dr. Hany Helal, Minister of Higher Education and Scientific Research
- Dr. Salwa El Ghareeb, Secretary General of the Supreme Council of Universities.
- Dr. Fawzy Torky, President of Kafr El Shaikh University
- Dr. Rashad Barsoum, Chairman, Medical Sector Committee
- Dr. Mohamed Shaiara, Chairman, Engineering Sector Committee
- Dr. Sakr Ashour, Chairman, Commerce Sector Committee
- Prof. Amr Salam, Former Minister of Higher Education, Counselor of AUC
- Prof. Mostafa El Demirdash, Chairman of Building and Housing Research, NRC, Egypt

The conference will focus on "**EDUCATION**" but all other acceptable papers will be accepted for presentation. I am here inviting you to participate in the conference by attending and urge you to present paper(s) in your field of expertise. Your scientific contribution will be carried by the Egyptian delegation to the concerned parties in Egypt to assist the current wave of reform; **so let's not miss it.**

Please submit your abstract promptly to Dr. Mohamed Attalla: mohamedattalla@rogers.com

Please note the AEAS is conducting only one conference every year, this year it is held in the USA, in its normal sequence.

THERE WILL BE NO AEAS CONFERENCE HELD IN EGYPT IN 2009.

Next year 2010 the conference will be held in Egypt, and further information will be sent to you by the board of the AEAS.

Sincerely yours,
Tawfik Ayoub, MD
Vice-president,
Association of Egyptian American Scholars.
